

Child Development Associate Certificate (Undergraduate)

Offered in partnership with the New York Early Childhood Professional Development Institute, the Child Development Associate (CDA) certificate is the only comprehensive 12 credit-bearing CDA in the region.

Earn 12 undergraduate credits in early childhood education that can be applied toward associate's or bachelor's degree programs and New York State teacher certification.

Students who complete the CDA certificate program may apply for the CDA credential, the most widely recognized credential in early childhood education.

Students who complete the CDA certificate program will be ready with their portfolio to apply for the CDA credential.
