## Organization Statement

Tremont Monterey Daycare Center #2 provides a safe, nurturing, and developmentally rich environment where young children learn, grow, and thrive. Our program supports the whole child through play-based learning, strong family partnerships, and a commitment to high-quality early childhood education.

## Job Description

## Key Responsibilities

- Plan and implement developmentally appropriate, play-based lessons aligned with curriculum standards.
- Create a positive, inclusive classroom environment that supports each child's learning style and developmental needs.
- Supervise children at all times and ensure their safety, well-being, and engagement.
- Support children's social-emotional development through modeling, guidance, and positive behavior strategies.
- Maintain accurate attendance, incident reports, and required documentation.
- Communicate regularly and professionally with families about children's progress and daily experiences.
- Collaborate with assistant teachers and staff to ensure smooth classroom operations.
- Set up and maintain a clean, organized, and inviting classroom environment.
- Participate in staff meetings, trainings, and professional development as required.

- Follow all program policies, licensing regulations, and health and safety guidelines.

## **Qualifications**

- Associate's or bachelor's degree in early childhood education or related field (as required by licensing).
- NYS Teaching Certification (Birth–2) preferred, if applicable.
- Experience working with young children in a classroom or childcare setting.
- Strong communication, teamwork, and organizational skills.
- Ability to create a nurturing, supportive, and engaging learning environment.

## **Personal Qualities**

- Warm, patient, and child-centered.
- Reliable, professional, and committed to high-quality early childhood education.
- Able to work collaboratively and maintain positive relationships with children, families, and staff.
