Organization Statement

WestCOP Therapeutic Nursery School is looking for a warm and caring individual to join our team of professionals. Please be a team player, with a strong work ethic and the desire to make a difference in the lives of children and their families.

Job Description

- Responsible for the creation and provision of the appropriate environment and experience to foster the physical, social, emotional and intellectual growth of preschool children with special needs.
- Provide methods of behavior support and management that are individualized to meet the functional behavioral needs of each child.
- Develop a curriculum that follows a normal developmental sequence, with adaptations to accommodate varied ability and functioning levels
- Monitor program activities and services frequently and make changes in programming as needed in accordance with children's IEPs.
- Work with related service staff to provide the appropriate service model to meet each child's IEP goals and objectives.
- Prepare progress reports for parent conferences and annual reviews.
- Maintain confidentiality of students, parents, program, and all materials handled in the performance of duties and responsibilities.
