Organization Statement

The YMCA of Greater New York is here for all New Yorkers — to empower youth, improve health, and strengthen community. Founded in 1852, today the Y serves a diverse population of more than half a million New Yorkers who learn, grow, and thrive through programs and services at our 24 branches. Community is the cornerstone of the Y. Together, we connect active, engaged New Yorkers to build stronger communities.

To help fulfill our mission, we cultivate a culture of learning, leading, and collaboration to enhance community impact. Through our talented staff and “LEAP” career framework (Leadership, Empowerment, Accountability, Personal Growth), we are committed to a people-first approach that fosters trust, inclusion, growth, and development for all.

Job Description

- Understand and communicate the YMCA’s core values and the goals of the Y Afterschool program to participants and caregivers.
- Develop and maintain positive relationships with parents/guardians and caregivers through regular communication regarding their child’s strengths and areas for growth.
